Notice of Discontinuation

Dear PAT Subscriber,

The International Air Transport Association (IATA) announced that the YY Fares will be rescinded from 31 October 2018. The decision to rescind YY Fares was taken with a vote by the IATA Passenger Tariffs Conference on 28 June 2017

As a result of the YY Fares decommissioning, we are sorry to inform you that IATA and SITA have jointly agreed on the discontinuation of our publication Passenger Air Tariff (PAT) in 2019. The last edition containing YY Fares will be the October 2018 edition. Subsequent editions will contain the available and applicable data until the end of the 2018 subscriptions period.

In the future and in order to access the relevant Industry data content which remain applicable beyond the YY Fares decommissioning, IATA suggests considering the following standards, manuals guidelines and databases:

IATA Content/Products:
